

**Patrick Mcilwee F.B.C.I,  
Bsc (Hons) M.B.A, M.T.I.S, A.E.P.S**

Fellow of the BCI - Business Continuity Institute - has over 20 years experience in the fields of disaster management and business continuity and has been involved in operational responses to 4572 incidents both within the UK and overseas.

Patrick's wide ranging experience, including detailed knowledge of BS25999, has enabled him to offer advice and support across the range of Multi-Nationals to SMEs in a wide variety of sectors including; Airports Authorities, Local Government, Health Services, Industrial Organizations, Local Authorities, Retail Outlets, Transport & Logistics Organizations, Utilities Companies, Voluntary Organizations, Banks and Banking Regulators.

A prominent member of the BCI's Global Membership Council, Patrick has used his in depth knowledge to help develop certification standards and skills benchmarking. He has also volunteered his experience to co-ordinate a BCI response to the recent tragic event in Japan following the March 2011 earthquake. Additionally Patrick acts as an international guest speaker for the BCI and the BCM - Business Continuity Management - community.

Patrick is a business continuity consultant and trainer sharing his knowledge with those new to the business continuity discipline as well as more experienced practitioners who are seeking more in-depth learning around dealing with crises and emergency management.

The roles within the Institute (BCI) that now has nearly 8000 members and is in 101 countries: Global Membership Council Member with special responsibility for Africa working with the Central Bank to start a BCI forum in their financial sector, has been on the council for 6 years; Head of Membership Audit and Compliance BCI; Responsible for the new audit process and alternative entry into the BCI; Led examination writing team and supervision of BCI entry exam; BCI lead for the consultation team for the new CFA; Business continuity Standards & qualification; **Member of the consultation team for BS 25999 Standard**; Consultation team for Civil Contingencies Act.; BCI Key Note Speaker ; Mentor for the Business Continuity Institute; One of the 4 BCI Assessors worldwide; Proctor for the BCI entry exam.
